Meet Rules and Information

The current 2007-2008 National Federation Rules, as amended by Mid-Penn Swim League, will govern The MPSSL Division C Divisional Swimming Championships. All events will be timed finals. Finish judges results will not apply. There will be no re-call false starts with the exception of one false start given to 8 & Under swimmers.

Warmups

The starter blocks will be off limits during the team warmups and there will be no starts from the pool edge. ***Swimmers will enter the pool feet first.*** The starter blocks will be opened for the relay warmups. During the warmup time, the Warmup Marshal will have complete authority to make any changes to lane assignments that he determines are necessary or helpful. He may remove any swimmer at his discretion for behavior that disregards the rules or is dangerous.

Officials and Volunteers

Volunteers serving as judges or referees should wear white and display their officials patches. Volunteers serving as timers must provide their own watches. All volunteers should be in their assigned area at least five minutes prior to their start times. ***There will be no breaks.*** We must vacate the Dauphin Pool as soon as possible and we require everyone's attention and cooperation to make this happen. Volunteers will enter for free through the Swimmers/Volunteers gate.

Awards

Ribbons will be given out for 1st through 12th place in both individual and relay events.

General Information

There are 76 events in the C Divisional meet. (An example of an event is #66 – Girls 15-18 50 Butterfly.) When you sponsor an event, your name will be printed in the event heading in the official meet program, along with an optional message of your choosing. When your event is announced during the meet, your name will also be announced as the event sponsor.

Event sponsorship costs \$10.00 per event and will be assigned on a first-come, first-served basis. Event numbers can be found on the *C Division Championships Event List* and are the same as the event numbers used for a dual meet. In the area provided below you should indicate how many events you wish to sponsor and then list several events *in order of preference*. For example, if you wish to sponsor 2 events, you should list 4 or 5 events. You will be assigned the first 2 available events from your list. If not enough of your choices are available, you will be assigned the closest possible available match.

Event Selection and Printing Instructions

In the left column list your event preferences. In the right column you can write a message to be printed in place of your sponsor name. Character total cannot exceed 60. Indicate if a message should be printed only for a certain event number or if the message can be used for any event.
