

MID-PENN SWIM LEAGUE RULES AND REGULATIONS
REVISED 2011

I. GENERAL

a) The League rules are current National Federation Swim Rules unless otherwise defined herein.

b) Any rule or regulation not covered will be presented to the League Committee for consideration and a decision.

c) Any violation of rules or regulations should be reported to the League President for action by the League Committee.

II. LEAGUE DIVISION

a) The League will be divided into divisions. The number of teams in a division and the number of divisions will be determined by the League Committee.

b) Each year the composition of the divisions will change, based on the standings of the previous year. The team with the best dual meet win/loss record in each division will move up to the next higher division and the team with the worst win/loss record will move down.

c) New teams accepted into the League will enter into the division of their ability level as determined by the League Committee. New teams entering the league are required to have a minimum of 30 children registered for the team roster. The new team entering the league must maintain the 30 minimum registrations for a two year probationary period. Additionally, the new team needs to have a pool facility meeting league approval for competitive swimming, knowledge of league rules, regulations and fundamentals for competitive swimming, parental support and experience with competitive swimming.

d) Division Championships will be based on win/loss records. In the case of ties, the outcome of the dual meet between the two teams will be used to decide the ranking in the division. The winner of the dual meet will be ranked above the loser of the dual meet. To break ties of three teams for a Division Champion, the total points of the dual meets between the teams involved in the three way tie will be taken. If a team swimming in a 4 lane pool is involved in a 3 way tie and the total points involved will be affected due to a 4 lane scoring then take the total points of their meets that they swam in a 6 lane pool and average the scores. The team with the most points will be the Division Champion. The reverse sequence will be used for teams moving down a division.

e) The league will provide copies of software to run league swim meets. At the current time the league uses Hy-Tek Meet Manager and Team Manager. This shall be the software used by all teams unless written approval is obtained in advance by the League.

f) Teams need to maintain a minimum roster of 30 swimmers. If an existing team fails below 30 swimmers for two years, they will be advised that they are placed on probation and membership must be raised above 30 swimmers for the third year or the next year the team will not be permitted to participate in league dual competition.

III. ELIGIBILITY

a) All Swimmers must be residents of Central PA, limited to the counties of Dauphin, Lebanon, Lancaster, Cumberland, and Perry.

b) All swimmers must be current members of the pool or swim team they represent and have paid the standard pool or team registration fee..

c) A swimmer may compete with only one Mid-Penn Swim League Team during any one season.

d) The maximum swimming age limit is 19 years old; the swimmer graduated from high school in June may swim the immediate dual season.

e) The eligibility of a competitor to compete in a particular age group shall be determined by his/her age on the first day of June. Each team shall maintain a roster using computer software (such as Hy-Tek) with an up to date list of its swimmers, with applicable birth dates and addresses. An electronic copy of which must be filed and received by the League Secretary, no later than Tuesday prior to the first meet of the season for ready references in case of eligibility disputes.

f) In dual meets, competitors may compete in more than one age group, the swimmer's own age group and 8 & U, one age group up; 10 & U to Unlimited two age groups up.

g) A competitor may enter a maximum of 4 events, no more than 3 of which may be individual events.

h) In order to compete for points in a dual and/or tri-meet a swimmer must be listed on the team roster by Friday evening prior to the 3rd week of the season to the league's HyTek Coordinator. Any additions to the roster must be updated using the electronic format.

i) Failure to comply with any of the eligibility provisions listed above may result in the swimmer being determined ineligible for the current and future swim meets and divisional championships.

IV. ENTRIES

a) Firm (update and complete) entry lists and roster will be electronically exchanged by coaches or league representatives by no later than Saturday morning, at least ½ hour (30 minutes) before the start of the meet. Copies of the entry list containing first and last names of the swimmers will be given to the referee, coaches, and the scoring table prior to the beginning of the meet. . No changes can be made to these lists after the exchange is completed. Coaches are responsible for assuring that both swimmers not listed in both copies for the same event is disqualified from that event, unless and obvious error (such as listing a boy in a girl's event) is indicated and the opposing coach and referee agrees to let the swimmer compete.

b) A scratch meeting will be held at least 15 minutes prior to the start of the meet with the coaches and referee to remove swimmers who failed to show up for the meet and changes as a result of the scratch. No changes will be permitted except with notification to the coaches and the scoring table, upon consent of the Referee.

c) Illegal entries discovered before or after an event is swum shall be scratched from that event and no substitutions shall be permitted. The score will be adjusted if necessary.

d) Prior to the start of the meet for the safety of the swimmers, it is recommended the coach ask that jewelry that is felt could be a problem (i.e. loose jewelry) be removed. If it is the choice of the parent/child not to remove said jewelry after the request, the league, team, and meet officials will not be liable and the swimmer may not be disqualified.

V. DISQUALIFICATIONS

It is the duty of the disqualifying official to notify the coach or the referee of the disqualification before the next event and to note the specific reason for the disqualification on the standard disqualification sheet. The meet official shall also attempt to notify the swimmer in question.

VI. PROTEST

All parties concerned should make all possible efforts to resolve their differences at the meet with the referee. The referee shall have the final decision at the meet regarding all disputes. Unresolved issues or disputed issues may be protested by the team's league representative by filing a written complaint to the League President within 3 days of the date of the meet. The League President will form a Protest Committee consisting of each divisional representative unless a representative is affiliated with one of the protesting teams, in which case a league committee member from that division shall act in the division

representative's place. This committee will study the protest and make a final decision, which shall be binding of all parties, prior to the All-Star Meet. Protests will be on rules infractions only, and protests will be formally submitted only when the meet result is close enough so that the rules infraction may have had a bearing on the outcome of the meet shall be reported as stated in I - GENERAL PART C.

VII. RECORDS

a) The League shall maintain a set of records for all events swum in the All-Star competition.

b) All records must be timed by no less than three watches or automatic timing devices and submitted on official time slips to the League Secretary. (All-Star Meets only)

c) The home team is required to electronically submit a backup copy of the meet results to the League's Hy-Tek Coordinator by 6:00 pm Sunday following the completion of the Saturday morning meet, with copies to the other league representatives/coaches (as identified) where electronically possible. A \$25.00 fine will be imposed (per offense) after the first offense.

d) All meet results, forms and materials must be kept by the League's Hy-Tek Coordinator until the beginning of the next summer season. Record retention by electronic format is the preferred and acceptable format.

e) Forms for all meets will be provided by the League.

VIII. CONDUCT OF THE MEET

a) All meets will be held on Saturday mornings no later than 9:00 AM unless both coaches previously agree on another time and/or date prior to the next scheduled meet.

b) The host team will cancel any dual meet due to weather conditions only at the latest possible time and notify the visiting team's league representative or coach. (Departure time of the visiting team)

c) Postponement of a meet in progress will be at the discretion of the Referee. A maximum delay of 30 minutes will be permitted. The referee and coaches will arrange to complete the meet prior to the next regularly scheduled dual meet, if possible.

d) Number of officials required as listed below. Each team should supply the officials designated.
