Team Warm-up Period: There will be no racing starts off the blocks or the edge of the pool at this time. Swimmers must jump in for warm-up swims feet first. During this portion of the warm-up, plastic traffic cones will be placed on the starting blocks so that all swimmers are aware that the blocks are not to be used.

Specific Team Warm-Ups

Session I	6:40 – 7:00am	RBH
Session II	7:00 - 7:20am	PC & LKM & WWD
Session III	7:20 - 7:40am	DAU & MBG & MTV

"Control/Supervise" are key words for safe warm-ups. Marshals/Officials will actively supervise the warm-up to ensure that proper procedures are followed. Marshals have authority through the referee over the warm-up. Coaches are reminded that they are responsible for the supervision of their swimmers during a warm-up just as they are when they are on deck at practice.

Relay Warm-Ups

Session IV 7:40 – 7:55am

Relay practice all teams all 6 lanes

When the lanes are being converted from a specific team warm-up session to a relay warm-up session, a Marshal will "hold back" the first swimmers in the relay warm-up session until all lanes are cleared of circling swimmers.

The Meet Referee and/or Marshal shall have the power to increase or decrease the number of relay warm-up lanes, circle swim, one-way swim lanes and/or sprint lanes, if after taking into account the number of swimmers in lines for sprints and the number circling, he/she feels this will create a more effective warm-up.

Mid Penn Swim League Division "C" Championships Saturday, July 19, 2003

At the Rainbow Hills Swim Club 4075 Swatara Drive Harrisburg, PA 17113

Swimmers need to be aware of the potential for disaster when a swimmer is doing a racing start from the block at the same time a backstroker is executing a start from beneath the block. In sprint lanes, backstrokers shall stand in line with the other swimmers waiting to start from the top of the block. Backstrokers shall enter the water when their turn comes. While a backstroker is in the water preparing for and executing a start, no swimmer shall step onto the block.

Coaches should maintain as much contact with their swimmers as possible-verbal and visual-throughout the warm-up period. The Marshal may remove a swimmer, coach and/or team from the deck for violations of these recommendations.

Facilities:

The Rainbow Hills Swim Club has a six (6) lane 25-meter pool with a 5 foot starting end. Kiefer Racing Lanes featuring patented unique float construction in every segment resulting in ultimate wave quelling will divide Lanes. Starter will use an Infinity Starter unit. An air horn will be used to recall swimmers after a false start & an optional recall rope may also be used. We will be using Hy-Tek Meet Management software. There will be bleachers for seating. Teams will be placed on the large grassy areas surrounding the back and the left sides of the pool. We will have a large "staging area" for swimmers prior to their event located directly behind the starting blocks.

False Start Rule &

Relay Take-Off: Same as dual meets with dual confirmation on all false starts and relay

take-offs. An air horn will supplement the electronic starter on false starts.

Order of Events: Same as dual meets.

On deck Officials: Please wear white & have applicable official patches visible.

Division "C" Championships Saturday, July 19, 2003

At the Rainbow Hills Swim Club 4075 Swatara Drive Harrisburg, PA 17113

Entries:

Entries must be received (not Postmarked), by Sunday, July 13, if you are entering on disk. If you will enter using paper, your entries will be due Saturday, July 12 by 3pm. We will not be responsible for any errors made.

Each swimmer MUST be on their teams active roster that was submitted to the league, and must have swam in at least 50% of the League meets in order to enter the Divisional Championships.

A swimmer may be listed in three (3) events. If a swimmer swims three (3) individual events at Divisionals, they may not be an alternate in relays at the All-Star meet. Being listed as an alternate in a relay at the Divisional meet does NOT count as another event. Swimmers must swim their age group as of 06/01/03 at the Divisional meet with the exception of relays, in which case a swimmer may move up no more than two (2) age groups. See Mid-Cap eligibility guidelines further below.

There are no restrictions on the number of team entries in individual events. However, a coach should realize that this is a Championship and enter only those swimmers he/she feels might have a chance to place. A maximum of two relay entries in each age group will be permitted per team.

Converted yard to meter times will be accepted for Divisional entries. The formula for conversion will be yard time X 1.11 = meter time. All such entries must list the yard and converted meter time and be marked accordingly. The Divisional Host Team will check the conversions before events are seeded. Swimmers with no submitted time shall be seeded lowest by lot. For pools other than standard length, a conversion factor can be used subject to league approval.

A Divisional entry meeting will be held at the Meet Director's Home on Sunday July 13, 2003 between the hours of 1:00pm and 3:00pm for those teams submitting entries electronically. For those submitting entries electronically, original entry cards are not required. Attendance by each team's coach or league representative is recommended, but shall be considered optional. For any teams submitting entries on paper, entries will be due no later than Saturday July 12, 2003 by 3:00pm. Contact Alan Byles at 234-2576 if you will not be submitting entries electronically to make arrangements. We will not be responsible for any errors made.

If a team wishes to submit their entries electronically and not attend the meeting, they may do so provided they submit a printable copy of the commlink file. We will post the Psych sheets on the Rainbow Hills Website by Monday evening July 14. The only changes permitted will be data error changes, NOT changes in events.

Division "C" Championships Saturday, July 19, 2003

At the Rainbow Hills Swim Club 4075 Swatara Drive Harrisburg, PA 17113

Additions or changes to the meet seeding may be made after this meeting, once the psych sheets are posted on our website (www.rainbowhills.org). Changes may be made up to and including **MIDNIGHT** the Monday night preceding the Divisional meet 07/14/03 via email to alanbyles1@comcast.net). At midnight the Psych sheets will be removed from the website.

Corrections noted at the Divisional entry meeting or errors in the Divisionals program that are verified by a review of the *printable copy of the commlink file*. and/or electronic entries submission and amended times or entries as allowed by the above provision will be allowed.

Every effort shall be made to correct erroneous seedings as close to the exact placement as possible so long as operation of the meet is not hampered. The Meet Director shall have final say in final seedings corrections at the meet, but all verified errors must be considered.

Creating Electronic Entries for Divisionals

Obtain the Divisional Events file for import into Team Manager or Meet Manager with one of the following options.

- 1. Download the file from the Rainbow Hills website at www.rainbowhills.org
- 2. Receive the file by email from Alan Byles. Requests for the file should be forwarded to alanbyles1@comcast.net
- 3. Receive the file by floppy disk.

General Step-by-step Instructions for those using Meet Manager

- 1. Import the Events file into Meet Manager in a new/clean database. Your team roster should already exist in Meet Manager or should be imported.
- 2. Setup your entries within Meet Manager, including relays. Relay alternates should be placed in positions 5-8 as applicable.
- 3. Export 'Entries for Meet Manager merge of same meet (.hy3)'. Ensure that 'Relays with Athletes' option is selected.
- 4. Save this file on 3.5" Floppy Disk to be turned in with Entry Packet.

General Step-by-step Instructions for those using Team Manager

- 1. Import the Events file into your teams Team Manager database.
- 2. Setup your entries within Team Manager, including relays. Relay alternates should be placed in positions 5-8 as applicable.
- 3. Export 'Meet Entries' selecting the MPSL C Division meet. Ensure the 'Export Relays' checkbox is checked.

MID-CAP ELIGIBILITY FOR RELAY CLARIFICATION

Divisionals meets are qualifying events for the championships, therefore, swimmers must compete in the same events that they have qualified in from their divisionals. The only exception would be if a swimmer qualifies in an individual event at divisionals and chooses not to swim in that event at All-Stars/Mid-Caps, the swimmer may then compete on any relay team at All-Stars/Mid-Caps provided that the swimmer's name was listed when the entries were submitted for divisionals. The divisional meet director must be notified of the swimmer's intent prior to the end of the divisional meet so that another swimmer can be moved into that position. This same procedure follows through to Mid-Caps.

Example Case 1: Sally Smith is entered in 3 individual events and is listed as an alternate in a freestyle relay. Sally swims her 3 individual events at Divisionals and <u>does not qualify</u> for All-Stars. She is ineligible as a relay alternate. She swam the number of events permitted for championship meets.

Example Case 2: Sally Smith is entered in 3 individual events and listed as an alternate in a freestyle relay. Sally swims her 3 individual events at Divisionals and <u>does qualify</u> for All-Stars in one event. She is eligible as a relay alternate provided she scratches her individual event in order to swim the relay so as not to exceed the number of events the swimmer is permitted for championship meets.

Example Case 3: Sally Smith is entered in 2 individual events and is entered in the Freestyle B relay. Sally's Freestyle B relay does not qualify for All-Stars but the Freestyle A relay does. Sally is eligible as a relay alternate for All-Stars for she swam in the same event which does not exceed the number of events the swimmer is permitted for championship meets.

Example Case 4: Sally Smith is entered in 2 individual events and is entered in the Freestyle B relay. Sally's Freestyle B relay does not qualify for All-Stars but the Medley A relay does. Sally is ineligible as a relay alternate for the Medley A relay for it is a different event and therefore exceeds the number of events the swimmer is permitted for championship meets.

Dear Team Reps:

Attached is a Divisional program advertising form for distribution to your swim team parents.

This year the Rainbow Hills Swim Team is encouraging each team to take out an ad in this year's Divisional program to demonstrate support for their swimmers. Swimmers and parents love to see ads about their team in the program.

We are also accepting individual parent ads, as well.

Please have all AD forms returned to me with your team entry no later than Sunday July 13th. We've left room at the bottom of the form for you to fill your name and desired return date.

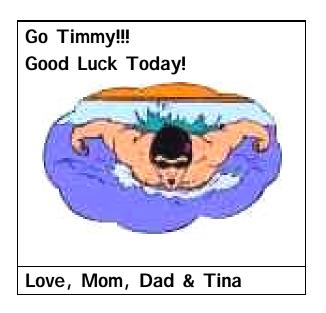

If you or your parents have any questions regarding the Ads, please have them call Lisa Dininni at 939-0442.

Attn: SWIM TEAMS & PARENTS

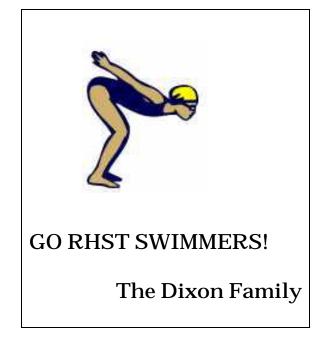

Celebrate your swimmer's hard work this summer by placing an AD in the Divisional Program. What a great way to cheer on your swimmer and support our team.

Complete the attached order form and return it with your check to your Team Representative.
